Subject: RE: FOIL Request

Mr. Gonzalez,

I'm writing in response to your Freedom of Information Request, copied below, for a list of City of New York titles determined to be "hard to recruit" for purposes of residency requirements.

A copy of the list of "hard to recruit" titles is attached.

There is no separate list of titles not bound by residency laws. I would refer you to Sections 12-120 and 12-121 of the New York City Administrative Code ("Residency Requirements"), available at http://www.nyc.gov/html/dcas/downloads/pdf/misc/AC_sections.pdf.

Please note that you will be receiving a series of system-generated emails following this correspondence.

Sincerely,

Alan Deutsch

Request Title: List of hard to recruit titles certified by DCAS and residency titles

Request Description: I would like the list of titles that are currently certified by DCAS known as 'hard to recruit'. This list would be for any current existing titles which are currently certified by DCAS as 'hard to recruit'. Furthermore, I would also like to request a list of civil service titles that are not bound by the residency laws of NYC or NYS wherein an employee in that title can live in New Jersey (for example).
