## HOW TO RESPOND TO THIS CIVIL SUMMONS

The Department of Consumer Affairs (DCA) has charged you with the violation(s) listed on this summons. You must respond to this summons. You may send an authorized representative to respond for you. Free language help will be provided, if needed. **If you do not respond, you may automatically be found responsible, and you may owe larger penalties.** If the Environmental Control Board or the Office of Administrative Trials and Hearings orders you to pay a civil penalty, failure to pay that penalty in a timely manner could lead to the denial of an application for a license, permit, or registration, or to the suspension, termination, or revocation of a license, permit, or registration issued to you by a City agency. See the bottom of this page to learn more about penalties.

### Option 1: DENY the charge(s)

If you deny the charge(s), you can give an explanation for why you think you are not responsible to a hearing officer, who will make a decision. If you are found responsible, you will still need to pay the penalty and may face higher penalties for future charges. To deny:

- Go to the Hearing Center in the borough checked on the first page of this summons at the date and time listed.
- Bring this summons and any evidence you may have that shows you are not responsible for the charge(s).
- Call 1-844-628-4692 if you have a disability and require a reasonable accommodation for the hearing.

### Option 2: ADMIT to the charge(s)

You may get an Offer of Settlement in the mail with information on how to settle and/or cure the violation(s). If you settle or cure all the violations in your Summons, you may no longer need to attend your hearing. **If you settle or cure, you are admitting to the violation(s) and may face higher penalties for future charges.** See the first page of this summons for your Hearing Date.

#### Settle: Admit to the charge(s) and pay a penalty

- If you receive an Offer of Settlement by mail, follow the instructions if you want to settle. The Offer of Settlement will tell you how much you need to pay. **Settlement is only available before your hearing.**
- If you do not receive an Offer of Settlement by mail but still want to settle, **send an email or text to [LegalSettlements@dca.nyc.gov](mailto:LegalSettlements@dca.nyc.gov)** and include your Summons Number. If a settlement is available, an Offer of Settlement will be emailed or texted back to you. **Settlement is only available before your hearing.**

#### Cure: Admit to the charge(s) without paying a penalty (only for certain first-time charges)

Not all violations are curable. If you receive a violation that is curable, you may be able to correct it without paying a penalty. Follow the steps below.

- If you receive an Offer of Settlement by mail and one or more of your violations are curable, the Offer of Settlement will include information about which violation(s) you can cure. Follow the instructions about how to admit the violation(s) and submit a certification. You can submit the certification by mail, or online. **You must submit the Cure Certification within 30 days of the date the summons is issued and before your hearing. Cures are only available before your hearing.**
- If you do not receive an Offer of Settlement in the mail, you may still be able to cure. **Send an email or a text to [LegalSettlements@dca.nyc.gov](mailto:LegalSettlements@dca.nyc.gov)** and include your Summons Number. If a cure is available, an Offer of Settlement will be emailed or texted back to you.
- Go to [nyc.gov/dca](http://nyc.gov/dca) and type "cure" in the search box for more information about curing a DCA charge.

### Unlicensed Activity Charges

If you are charged with unlicensed activity, you must deny the charge(s) or admit the charge(s) as described above. You should also:

1. **Stop the unlicensed activity.**
2. Apply for a license online at [nyc.gov/BusinessToolbox](http://nyc.gov/BusinessToolbox) or in person at the DCA Licensing Center (42 Broadway, Lobby, New York, NY 10004) or the NYC Small Business Support Center (90-27 Sutphin Blvd., 4th Floor, Jamaica, NY 11435).
3. **If your vehicle was seized, be sure to read the back of the Vehicle Seizure Form.**

### Penalties

**You have the right to be informed of the maximum penalty.** If no maximum penalty is shown on the first page of this summons, see DCA's penalty schedules in the Rules of the City of New York, Title 6, Chapter 6, Subchapter B, beginning at Section 6-10, available at [nyc.gov/DCAPenalties](http://nyc.gov/DCAPenalties). See below for additional information. Higher penalties may be imposed for each repeated violation up to the maximum penalty allowed by law or rule.

- Except for unlicensed activity (described below), maximum penalties for the violation(s) in this summons may include a fine of as much as \$15,000 for each violation; revocation or suspension of your DCA license; the sealing of your business premises; and/or the removal of your property. Copies of the laws and rules, which include the maximum penalties for specific violations, are available on the DCA website: [nyc.gov/DCAPenalties](http://nyc.gov/DCAPenalties).

**Unlicensed Activity Penalties:** In most cases, the penalty for unlicensed activity is \$100 per violation per day. See the first page of this summons for the "Start Date of Unlicensed Activity" under the "Key to Violations" section, which is the date this penalty would begin. Pursuant to Section 1-19 of Title 6 of the Rules of the City of New York, you will be presumed to have engaged in the unlicensed activity every day from the "Start Date of Unlicensed Activity" through the Hearing Date. Penalties for unlicensed activity could exceed \$15,000.

**Sidewalk Café Penalties:** Your Sidewalk Café license may be suspended or revoked, and your sidewalk café and restaurant sealed for up to 30 days for a third violation of the Sidewalk Café Law or Rules. Your sidewalk café and restaurant may also be sealed for up to 30 days for a second violation for operating an unlicensed sidewalk café.

**Sale of Toy or Imitation Firearms Penalties:** If you are found to have offered to sell or sold a toy or imitation firearm on three (3) or more occasions within a two-year period, the premises where the violations occurred may be sealed for up to five (5) days. See Administrative Code Section 10-131(g) (1) for more details.
