RE: FOIL-2017-858-00638

Dear Ms Jorgensen:

I am writing in response to your request pursuant to the Freedom of Information Law ("FOIL") for records of "Any and All websites, URLs, applications accessed through LinkNYC by any and all users, including but not limited to, all online traffic from January 2016 – Present."

The Department of Information Technology and Telecommunications ("DoITT") has completed its research and found no records responsive to your request. In addition, we have no records which indicate whether these records exist elsewhere, and if so, who that custodian would be.

This concludes the research and work done for this FOIL request. Please note that, pursuant to Public Officers Law Section 89 (4)(a), any appeal must be made within thirty (30) calendar days of this response and must be addressed to: Michael Pastor, General Counsel and Records Access Appeals Officer, DoITT, 255 Greenwich Street, 9th Floor, New York, NY 10007.

Sincerely,

A handwritten signature in black ink, appearing to read "Dominic Mauro". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Dominic Mauro
Records Access Officer
